SUMMARY

AI-focused MCA student specializing in Generative AI with hands-on experience in building AI-powered applications using Python, LangChain, LLMs, NLP, and Retrieval Augmented Generation (RAG). Skilled in developing intelligent systems such as AI chatbots, document question-answering systems, and AI-assisted learning platforms. Experienced in integrating FastAPI, vector databases, and Hugging Face models to build scalable AI solutions. Passionate about applying artificial intelligence and large language models to solve real-world problems.

TECHNICAL SKILLS

Programming Languages
AI / Machine Learning
IAI Frameworks & Libraries
Chatbot Development
FastAPI, REST APIs
MongoDB, SQL, NoSQL
Vector Databases
HTML, CSS, SQL
NLP, LLMs, RAG, BERT
Prompt Engineering
Git, GitHub

PROJECTS

AI Study Buddy Platform **Jan 2025 - Present**

- Developed an AI-powered study assistant platform that helps students get answers to academic queries using LLM-based chatbots.
- Implemented Retrieval Augmented Generation (RAG) to allow users to query study materials and documents.
- Integrated LangChain with LLM APIs to generate intelligent responses.
- Built a full-stack interface using HTML, CSS, and JavaScript for interactive learning support.

AI Document Question Answering System **May - 2024**

- Built an AI system that allows users to ask questions from uploaded documents using LLMs.
- Implemented document embeddings and vector database retrieval for contextual responses.
- Designed a RAG pipeline using Python and LangChain for efficient knowledge retrieval.

EDUCATION

Master of Computer Applications (MCA) – Generative AI **2025 - 2027**

SRM Institute of Science and Technology, Kattankulathur

- Specilasation in Generative AI .
- Artificial Intelligence, Natural Language Processing, Machine Learning, Generative AI

Bachelor of Computer Application - General **2021 - 2025**

Maharaja Agrasen International College, Raipur

- Relevant coursework in Data Structures, Database Management System, Web Development

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Telugu, Tamil.
- **Internship:** AICTE Internship in Generative AI
- **Awards/Activities:** Most Innovative Employer of the Year (2021), Overall Best Employee Division Two (2024), Onboarding Project Lead (2023)
